

PRESS RELEASE

GOVERNOR OF TAMIL NADU'S TEACHERS DAY MESSAGE

Teachers Day is observed every year on 5th September which is the birthday of Dr. S. Radhakrishnan the former President of India.

All great men and women of character leadership and vision owe their greatness to the learning and guidance they received from their teachers.

On this day the society and the state recognise the valuable contributions of the members of the teaching profession. Teachers in turn resolve to work with greater dedication for enhancing the knowledge and welfare of students and the youth by imparting skills and discipline. Since the character of students in their formative years of their lives is moulded by the teachers they have a great responsibility to maintain impeccable character and dignity in their conduct.

Let us all on this day show our gratitude and respect to our teachers who play a stellar role in shaping society.
