

**Three more persons found positive for Covid-19 in Raj Bhavan**

As a precautionary measure to last week COVID-19 cases, thirty eight persons of Raj Bhavan, Chennai were tested for COVID-19, out of which thirty five persons are found to be negative and only three persons are tested positive. Three members who are tested positive have been shifted to Hospital by Health Department and undergoing treatment.

Yesterday, Raj Bhavan Medical Officer carried out regular health checkup of Hon'ble Governor and found him fit and healthy. However, Doctor has advised him for seven days isolation. Subsequently Hon'ble Governor has kept himself in isolation.

Raj Bhavan is closely monitoring the situation.
